NEWSLETTER

welcome back..

It's been so lovely to welcome you all back to Alpha. We can't wait to get you all back on track with your treatments and introduce our new treatment **NCTF** by Filmed.

We wanted to focus this latest newsletter on Skin. While we all work incredibly hard at fighting against the hands of time keeping up with our fabulous muscle lifting treatments such as Caci and Genie, it's also important not to neglect the skin. Skin firmness & tightness can be improved and even transformed using Radio Frequency and Plasma Elite, while

Re-surfacers, Microneedling, Light Therapy and an effective home care routine can dramatically improve your skins overall complexion, texture and functionality.

So for best results to counter act the signs of ageing as well as age prevention we highly recommend you work on both the **skin tone** and **muscle tone** this will achieve **maximum results!** That's why we have created the perfect combination facial (see below)

Peptide Power Lifting Facial

This customised facial will work on achieving skin radiance, improving muscle tone and skin firmness, targeting all aspects of ageing...see and feel a difference instantly!

Phase 1 (Collagen boosting, deeply exfoliating & skin firming)	Revive a dull lifeless skin with this powerful & deep peptide re-surfacing treatment. This will immediately plump fine lines and wrinkles whilst giving rise to a brilliant glow with zero downtime.
Phase 2 (Muscle lifting and plumping)	Choose from one of the following Non Surgical Facelifts:- <ul style="list-style-type: none"> • Genie • Caci Eye (+£5 to add eye revive mask) • Caci Jowl Lift
Phase 3 (Skin nutrition & revitalisation)	In this final phase we are going to further lift and plump the skin using the specialised Firming Enzyme setting mask. This mask used alongside your chosen non surgical facelift will give the ultimate long lasting lift.
