Dermaquest Age Defense Kit

Your regime includes...

The AGE DEFENSE KIT (RRP £94) is a progressive anti-aging collection to restore youth and infuse vitality. Utilizing innovative peptides such as idealift and cs peptide, along with glycolic acid to encourage collagen and elastin production, reduce fine lines, wrinkles and improve overall skin tone and texture. Consistent use of these products will leave skin nourished, polished and more youthful.

New for you... Vitamin & Vitality Injections

There are so many of us now suffering with the side effects of B12 deficiency, we have decided to offer these specialist injections as a total well being treatment. Low levels of B12 over a prolonged period of time can cause severe and irreversible damage to the nervous system.

Do any of these symptoms resonate with you?

- Fatigue & lethargy
- Constant feeling of hunger (weight gain)
- Depression
- Balance issues
- Breathlessness
- Poor memory
- Headaches

Call now for more information or to book your first appointment.

Prices starting at £39 for a single B12 vitality injection.

A course of 4 (1 per week) may be recommended initially to build up your vitamin levels

New for you... Essential summer treatments
